ALL ALONE AM I - Altman/Hadjidakis

4/4 1...2...1234

Intro: |  |  |  |

All a-lone am I, ever since your good-bye, all a-lone with just the beat of my heart

People all a-round, but I don't hear a sound, just the lonely beating of my heart

No use in holding other hands, for I'd be holding only emptiness

No use in kissing other lips, for I'd be thinking just of your caress

All a-lone am I, ever since your good-bye, all a-lone with just the beat of my heart

People all a-round, but I don't hear a sound, just the lonely beating of my heart

No other voice can say the words

my heart must hear to ever sing again

The words you used to whisper low,

no other love can ever bring again.

All a-lone am I, ever since your good-bye, all a-lone with just the beat of my heart

People all a-round, but I don't hear a sound, just the lonely beating of my heart
