Intro: (3 beats each)

Allegheny Moon, I need your light to help me find romance tonight, so shine, shine, shine

Allegheny Moon, your silver beams can lead the way to golden dreams, so shine, shine, shine

High among the stars, so bright above, the magic of your lamp of love can make her mine

Allegheny Moon it's up to you, please see what you can do for me and for my one and only love

Interlude: First 2 lines of song

High among the stars, so bright above, the magic of your lamp of love can make her mine

Allegheny Moon it's up to you, please see what you can do for me and for my one and only love
