ALL THE TIME - Barry Manilow/Marty Panzer

4/4 1...2...1234 (slow count)

Intro: |   |    |

All the time I thought there's only me

Crazy in a way that no one else could be

I would have given every-thing I own

If someone would have said you're not a-lone

All the time I thought that I was wrong

Wanting to be me, but needing to be-long

     

If I had just believed in all I had

    

If someone would have said you're not so bad

p.2. All the Time

All the time, all the wasted time. All the years, waiting for a sign

To think I had it all, all the time

All the time I thought there's only me

Crazy in a way that no one else could be

I can't be-lieve that you were some-where too

Thinking all the time there's only you

All the time, all the wasted time. All the years, waiting for a sign

To think I had it all, all the time

ALL THE TIME-Barry Manilow/Marty Panzer
