ALWAYS AND FOREVER (BAR)

12/8

Intro:   |   |   | (X2)

Always and forever, each moment with you
Is just like a dream to me that somehow came true
And I know tomorrow will still be the same
’Cause we’ve got a life of love that won’t ever change and
Everyday, love me your own special way, melt all my heart a-way with a smile
Take time to tell me, you really care, and we'll share to-morrow, to-gether
I’ll always love you for-ever, for-e-ver
Always and Forever

There'll always be sunshine when I look at you
It's something I can't explain just the things that you do
And if you get lonely, phone me and take
A second to give to me that magic you make and
Everyday, love me your own special way, melt all my heart a-way with a smile
Take time to tell me, you really care, and we'll share to-morrow, to-gether
I'll always love you for-ever
ALWAYS AND FOREVER
