Intro: |  |  |  |  |  |  |

 |  |  |  |  |  |  |  |  |  |  |  |

Am I blue, am I blue? Ain't these tears in these eyes telling you?

 |  |  |  |  |  |  |  |  |  |  |  |

**Am I blue? You'd be too, if your schemes, like your dreams, done fell through.
(if each plan with your man done fell through)**

 |  |  |

Was a time I was her/his only one

 |  |  |  |  |  |

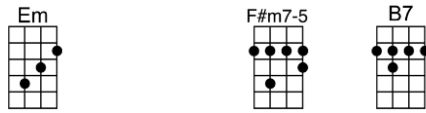

But now I'm the sad and lonely one, lonely

 |  |  |  |  |  |  |  |  |  |  |  |

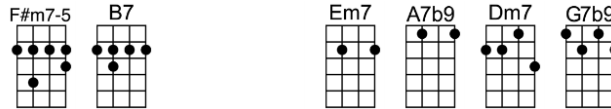

Was I gay, un-til to-day. Now she's/he's gone, and we're through, am I blue!

Interlude: First 2 lines
