

AND I LOVE YOU SO - Don McLean

4/4 1234 12 (without intro)

Intro: |  |  |  | (X2)

 |  |  | 

And I love you so, the people ask me how,

 |  |  | 

How I've lived till now, I tell them I don't know

 |  |  | 

I guess they under-stand how lonely life has been,

 |  |  |  |  |  | 

But life began a-gain the day you took my hand

 |  |  |  |  | 

And, yes, I know how lonely life can be,

 | 

The shadows follow me, and the night won't set me free

 |  |  |  |  |  |  |  |  | 

But I don't let the evening get me down, now that you're around me

 |  | 

And you love me too, your thoughts are just for me

 |  |  | 

You set my spirit free, I'm happy that you do

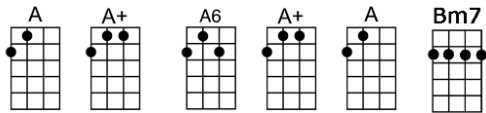

p.2. And I Love You So

The book of life is brief, and once a page is read,

All but love is dead, this is my be-lief

And, yes, I know how loveless life can be,

The shadows follow me, and the night won't set me free

But I don't let the evening get me down, now that you're around me

And I love you so, the people ask me how,

How I've lived till now, I tell them I don't know
