

SING C#

AND YOUR BIRD CAN SING_(BAR)-Lennon and McCartney

4/4 1...2...1234

Intro: (4 measures)

You tell me that you've got everything you want, and your bird can sing

But you don't get me, you don't get me

You say you've seen Seven Wonders, and your bird is green

But you can't see me, you can't see me

When your prized pos-sessions start to weigh you down

Look in my di-rect-ion, I'll be 'round, I'll be 'round

Interlude:

p.2. And Your Bird Can Sing

When your bird is broken, will it bring you down?

You may be a-woken, I'll be 'round, I'll be 'round

You tell me that you've heard every sound there is, and your bird can swing

But you can't hear me, you can't hear me
