A - pril love is for the very young

Every star's a wishing star that shines for you

A - pril love is all the seven wonders

One little kiss can tell you this is true

Some-times an April day will sudden-ly bring showers

Rain to grow the flowers for her first bou - quet

      

But A - pril love can slip right through your fingers

       

So, if she's the one, don't let her run a-way
