AROUND THE WORLD_(BAR)

3/4 123 12 (without intro)

3/4 123 123 (with intro)

Intro:         (each gets 3 beats)

   
A-round the world I've searched for you.

   
I traveled on when hope was gone to keep our rendez-vous

   
I knew some-where, some-time, some-how,

   
You'd look at me and I would see the smile you're smiling now

  
It might have been in County Down,

  
Or in New York, in Gay Pa-ree, or even London Town

       
No more will I go all a-round the world, for I have found my world in you

       
No more will I go all a-round the world, for I have found my world in you
