Babe, I'm leavin', I must be on my way.

The time is drawing near

My train is goin', I see it in your eyes,

the love, the need, your tears

But I'll be lonely with-out you,

and I'll need your love to see me through

Please believe me, my heart is in your hands, and I'll be missing you

You know it's you, Babe, when-ever I get weary and I've had e-nough, feel like giving up

You know it's you, Babe, givin' me the courage and the strength I need

Please be-lieve that it's true, Babe, I love you

p.2. Babe

You know it's you, Babe, when-ever I get weary and I've had e-nough, feel like giving up

You know it's you, Babe, givin' me the courage and the strength I need

Please be-lieve that it's true, Babe, I love you

Babe, I'm leavin', I'll say it once again, and somehow try to smile

I know the feelin' we're tryin' to forget, if only for a while

'Cause I'll be lonely with-out you, and I'll need your love to see me through

Please believe me, my heart is in your hands, 'cause I'll be missing you

Babe, I love you.

Babe, I love you.

Ooh, Babe
