-Tony Macaulay/John MacLeod

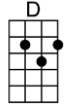

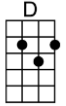

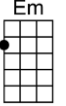

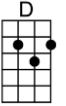

Intro: |  |  |  |  | (X2)

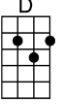

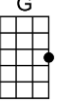

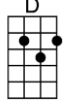

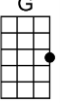

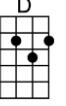

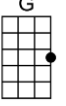

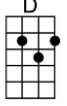

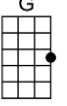

Refrain:

  
 Baby, now that I've found you, I can't let you go

 
 I'll build my world around you, I need you so

  
 Baby, even though you don't need me, you don't need me (repeat refrain)

Interlude: |  |  |  |  |

       
 Baby, baby, since first we met, I knew in this heart of mine (I wanna tell you..)

      
 The love we had could not be bad, I played it right, I'd bide my time

    
 Spent a lifetime, looking for somebody to give me love like you

   
 Now you've told me that you wanna leave me (darling, I just can't let you)
