BEAUTIFUL - Carole King

4/4 1...2...1234

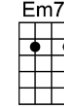

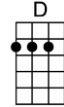

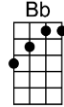

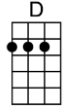

You've got to get up every mornin' with a smile on your face

And show the world all the love in your heart

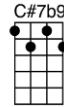

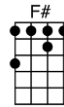

Then people gonna treat you better

You're gonna find, yes, you will, that you're beautiful as you feel

Waiting at the station with a workday wind a-blowin'

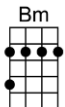

I've got nothin' to do, but watch the passersby

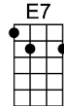

Mirrored in their faces I see frustration growing

And they don't see it showing, why do I?

You've got to get up every mornin' with a smile on your face

And show the world all the love in your heart

p.2. Beautiful

Then people gonna treat you better

You're gonna find, yes, you will, that you're beautiful as you feel

Interlude:

I have often asked myself the reason for the sadness

In a world where tears are just a lullaby

If there's any answer, maybe love can end the madness

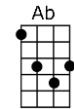

Maybe not, oh, but we can only try

You've got to get up every mornin' with a smile on your face

And show the world all the love in your heart

Then people gonna treat you better, you're gonna find, yes, you will

That you're beautiful, you're beautiful, you're beautiful as you feel
