

BEND ME, SHAPE ME - Scott English/Larry White

4/4 1...2...1234

Intro: 2 measures of percussion |   |   | **(X2)**

You are all the woman I need, and baby you know it (know it, know it, know it)

You can make this beggar a king, a clown, or a poet (poet, poet, poet)

I'll give you all that I own, you've got me standing in line,

Out in the cold, pay me some mind

Bend me, shape me, any way you want me, long as you love me, it's al-right

Bend me, shape me, any way you want me, you got the power to turn on the light

Interlude: same as intro

p.2. Bend Me, Shape Me

Everybody tells me I'm wrong to want you so badly (badly, badly, badly)

But there's a force driving me on, I follow it gladly (gladly, gladly, gladly)

So, let them laugh, I don't care, 'cause I got nothin' to hide,

All that I want is you by my side

Bend me, shape me, any way you want me, long as you love me, it's al-right

Bend me, shape me, any way you want me, you got the power to turn on the light

(fade)
