4/4 1...2...1234

Intro: |  |  |  |

Bouncy bouncy bally, dribbledy drobbledy oopsy day, bouncy bouncy bally, look at the way I play

Watch the bally fally, down on the ground, and then up again

Bouncy bouncy bally, look at me count to ten

I'm smart, doodly do, so smart, doodly do, 'cause I knew just how to do it from the start.

It's brains, doodly do, that counts, doodly do.

When my daddy gets home, I'll teach him how to bounce, bounce, bounce, bounce

Bouncy bouncy bally, dribbledy drobbledy oopsy day, bouncy bouncy bally, look at the way I play

Interlude:
