4/4 1...2...1234

**Intro:** |  |  |  |  |

The stars won't come out if they know that you're about

'Cause they couldn't match the glow of your eyes

And, oh, who am I? Just an ordinary guy, tryin' hard to win me first prize

Oh, Can-dida, we could make it to-gether.

The further from here, girl, the better, where the air is fresh and clean

Oh, Can-dida, just take my hand and I'll lead ya

I promise life will be sweeter, and it says so in my dreams

The future is bright, the gypsy told me so last night

Said she saw our children playin' in the sunshine

And there were you and I, in a house, baby, no lie

And all these things were yours, and they were mine

p.2. Candida

Oh, my Can-dida, we could make it to-gether.

The further from here, girl, the better, where the air is fresh and clean

Oh, Can-dida, just take my hand and I'll lead ya

I promise life will be sweeter, and it says so in my dreams

Interlude: First 2 lines
