There’s a calm surrender to the rush of day, when the heat of a rollin’ wind can be turned away.

An enchanted moment, and it sees me through, it’s enough for this restless warrior just to be with you.

And can you feel the love to-night? It is where we are.

It’s enough for this wide-eyed wanderer that we got this far.

And can you feel the love to-night? How it’s laid to rest.

It’s enough to make kings and vagabonds believe the very best.

Interlude:
p.2. Can You Feel the Love Tonight

There’s a time for everyone, if they only learn, that the twisting ka-leidoscope moves us all in turn

There’s a rhyme and reason to the wild out-doors,

When the heart of this star-crossed voyager beats in time with yours

And can you feel the love to-night? It is where we are

It’s e-nough for this wide -eyed wanderer that we got this far

And can you feel the love to-night? How it’s laid to rest

It’s e-nough to make kings and vagabonds be -lieve the ver - y best

It’s e-nough to make kings and vagabonds be-lie-ve the ver - y best
