Hey, Carrie Anne, hey, Carrie Anne

When we were at school our games were simple
You were always something special to me

I played the janitor, you played the monitor
Quite independent, never caring

Then you played with older boys and prefects
You lost your charm as you were aging

What's the attraction in what they're doing
Where is your magic disappearing

Hey, Carrie Anne, what's your game now, can anybody play? (X2)
p.2. Carrie Anne

You're so, so like a woman to me (so like a woman to me)

So, so like a woman to me (like a woman to me)
