CASTAWAY - Richard and Robert Sherman

3/4 123 123

Intro: 
Castaway, castaway, trust in your star  
(3 beats each)

You know I will find you, wher-ever you are

Though all your dreams may be tossed by the tide

Cling to your hopes, never cast them a-side

Castaway, castaway, though you may be

Lost in the wilderness over the sea

I will dis-cover your castaway shore

Then you'll be a cast-way no more

You’ll be a cast-way no more
