Intro: |  |  |  |  |  |  |  |  | 

Cherish is the word I use to describe

 |  |  |  | 

All the feeling that I have hiding here for you inside

 | 

You don't know how many times I've wished that I had told you

 | 

You don't know how many times I've wished that I could hold you

You don't know how many times I've wished that I could

 |  |  |  |  |  |  | 

Mold you into someone who could cherish me as much as I cherish you

 |  |  |  | 

Perish is the word that more than applies

 |  |  |  | 

To the hope in my heart each time I realize

 | 

That I am not gonna be the one to share your dreams

 | 

That I am not gonna be the one to share your schemes

That I am not gonna be the one to share what

 |  |  |  |  |  |  | 

Seems to be the life that you could cherish as much as I do yours

p.2. Cherish

Oh, I'm be-gin-ning to think that man has never found the words that could make you want me

That have the right amount of letters, just the right sound

That could make you hear, make you see that you are driving me out of my mind

Oh, I could say I need you but then you'd realize that I want you just like a thousand other guys

Who say they love you, with all the rest of their lies

When all they wanted was to touch your face, your hands, and gaze into your eyes

Cherish is the word I use to describe

All the feeling that I have hiding here for you inside

You don't know how many times I've wished that I had told you

You don't know how many times I've wished that I could hold you

You don't know how many times I've wished that I could

Mold you into someone who could cherish me as much as I cherish you

And I do cher-ish you, and I do cher-ish you. Cherish is the word
