Headin' for the station with a pack on my back
                              F7
I'm tired of transportation in the back of a hack

I love to hear the rhythm of the clickity-clack

And hear the lonesome whistle, see the smoke from the stack
     C7
And pal around with democratic fellows named Mac

You take your mornin' paper from the top of the stack
     F
And read the situation from the front to the back
    C7
The only job that's open needs a man with a knack

So put it right back in the rack, Jack!
