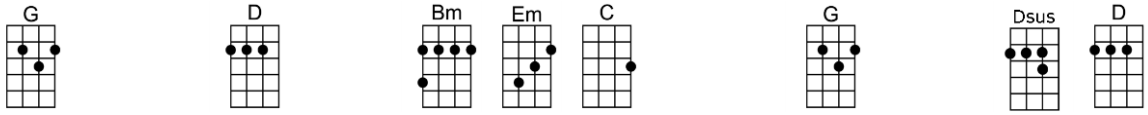
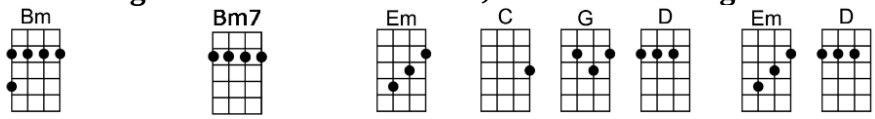
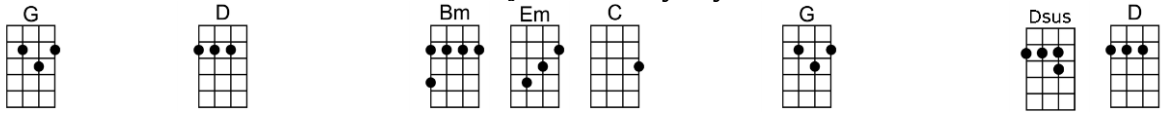
REFRAIN:



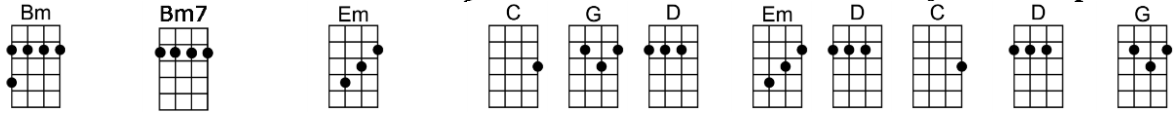
Even though the rain hides the stars, even though the mist swirls the hills,



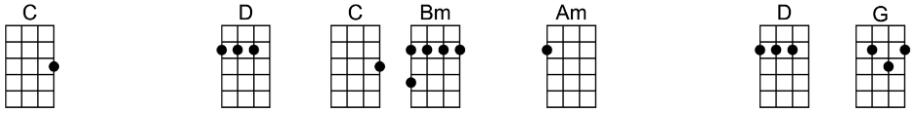
Even when the dark clouds veil the sky, God is by my side



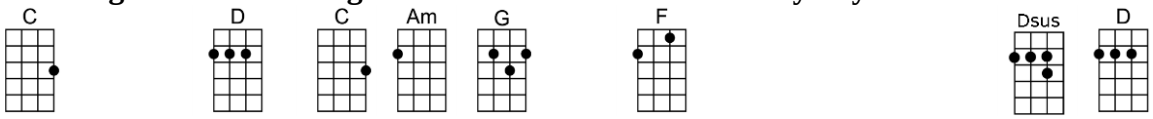
Even when the sun shall fall in sleep, even when at dawn the sky shall weep



Even in the night when storms shall rise, God is by my side, You are by my side



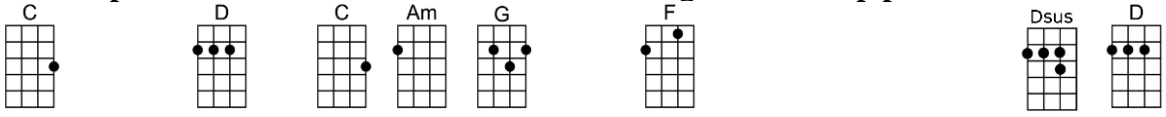
Bright the stars at night that mirror heaven's way to you.



Bright the stars in light, where dwell the Saints in love and truth

REFRAIN

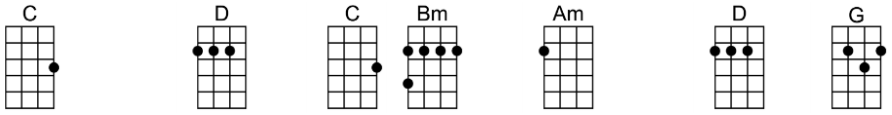
Deep the feast of life, where Saints shall gather in deep peace



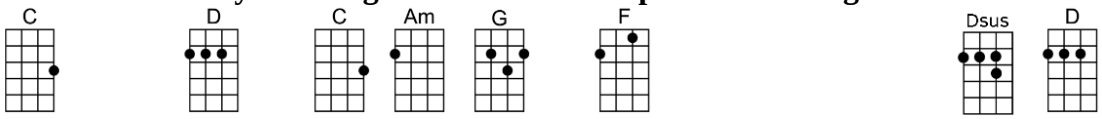
Deep in Heaven's light, where sorrows pass beyond death's sleep

p.2. Clouds' Veil

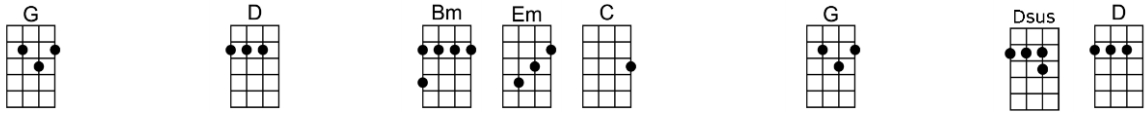
REFRAIN



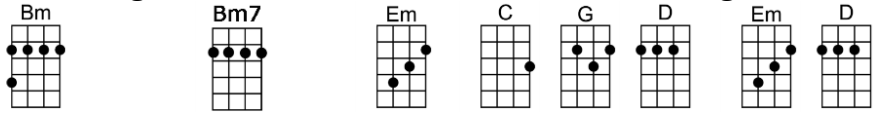
Blest are they who sing the fellowship of Saints in light



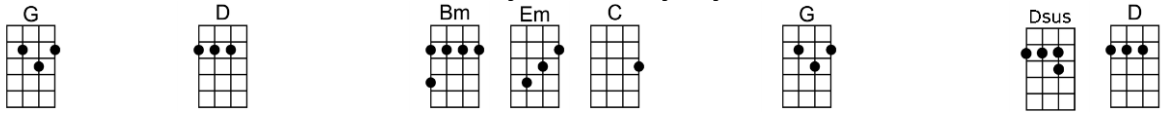
Blest is Heaven's King, all Saints adore the Lord most high



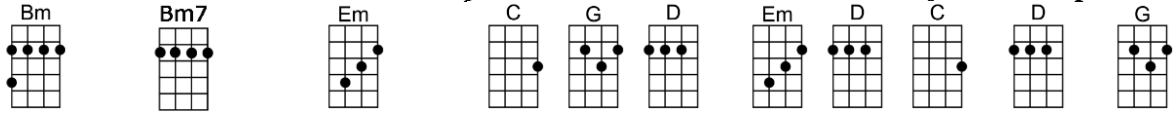
Even though the rain hides the stars, even though the mist swirls the hills,



Even when the dark clouds veil the sky, God is by my side



Even when the sun shall fall in sleep, even when at dawn the sky shall weep



Even in the night when storms shall rise, God is by my side, You are by my side
