Hey you, hey you, hey you in that bubble, flying in the sky now,

That bubble had to break.

Too bad, too soon, too much has gone down now

There’s no turning back, boy, accept it as you may. You sure can use a sunny day.

Bring back the clown time, with brightly colored ponies

Get ready, get set, they’re striking up the band.

Hooray, hoo-ray, I’m gonna have a ball with pony rides and candy cane and all.

High on the wire, you’re dancing to the music

And when you hear it, you’ll remember when The world was singing to a happy song

Let’s have the clowns back a-gain, let’s have the clowns back a-gain.

Interlude: | (X2) |
p.2. Clown Time

You tried, you lied, you cheated at life, son, and so it seems the deed’s done

Let the chips fall where they may.

Hold on, hold on, hold on to your senses, things are gonna work out, just you wait and see.

Listen to my circus melody.

Bring back the clown time, with brightly colored ponies

Get ready, get set, they’re striking up the band.

Hooray, hoo-ray, I’m gonna have a ball with pony rides and candy cane and all.

High on the wire, you’re dancing to the music

And when you hear it, you’ll remember when The world was singing to a happy song

Let’s have the clowns back a-gain, let’s have the clowns back a-gain.

Outro: Sha la la la sha la la lo, sha la la la sha la la la lo

Sha la la la sha la la lo, sha la la la, sha la la la … (Repeat outro and fade)
