

COME IN FROM THE RAIN_(BAR)

4/4 1...2...123

-Melissa Manchester/Carole Bayer Sager

Intro: |  |  |  |  |

 
Well, hello there, good old friend of mine

 
You've been reaching for yourself for such a long, long time

 
There's so much to say, no need to explain

  
Just an open door for you, to come in from the rain

 
It's a long road when you're all alone

 
And some-one (a man) like you will always choose the long way home

 
There's no right or wrong, I'm not here to blame

     
I just want to be the one to keep you from the rain, from the rain

p.2. Come In From the Rain

And it looks like sunny skies, now that I know you're al-right

Time has left us older and wiser, I know I am

Interlude: (X2)

And I think of us like an old cliché

But it doesn't matter, 'cause I love you anyway. Come in from the rain

And it looks like sunny skies, now that I know you're al-right

Time has left us older and wiser, I know I am

And it's good to know my best friend has come home again

'Cause I think of us like an old cliché

But it doesn't matter, 'cause I love you anyway. Come in from the rain

Come in from the rain, come in from the rain
