

SING A

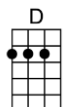

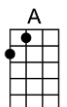

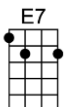

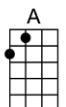

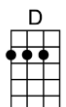

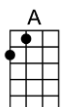

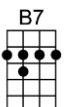

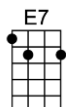

COME IN, STRANGER-Johnny Cash

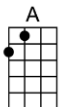

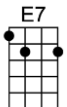

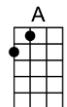

4/4 1234 12 (without intro)

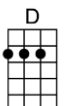

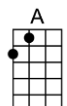

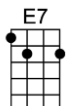

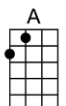

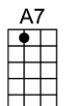

Intro: |  |  |  |  |  |

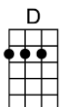

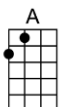

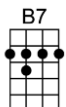

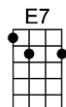

She said,  "Come in, stranger,"  it's good to have you home  

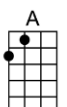

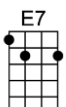

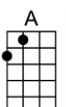

I hurried thru 'cause I knew it was you,  when I saw your dog,  waggin' his tail   

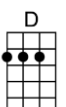

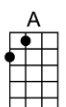

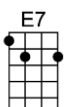

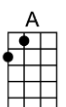

Honey, why didn't you let me know by mail,  you've been gone so long   

She said,  "Come in, stranger," I know you're weary from all the miles   

Just sit right there in your easy chair, and tell me about all the places you've been     

How long it'll be before you leave again, I hope it's a long, long while    

She said,  "Come in, stranger," every-thing around home is fine   

I've watched and I've waited for you to get back, and I missed you all the time    

p.2. Come In, Stranger

Interlude:

A sequence of eight guitar chord diagrams: A (open A), E7 (open E7), A (open A), A7 (open A7), D (open D), A (open A), E7 (open E7), and A (open A).

She said, **“Come in, stranger,”** oh how I miss you when you're gone

A sequence of four guitar chord diagrams: A (open A), E7 (open E7), A (open A), and A7 (open A7).

I walk the floor and I watch the door, and then I lie awake and wonder where you can be

A sequence of five guitar chord diagrams: D (open D), A (open A), E7 (open E7), A (open A), and A7 (open A7).

I'd give anything to have you here with me, I get so lonesome all a-lone

A sequence of four guitar chord diagrams: D (open D), A (open A), B7 (open B7), and E7 (open E7).

She said, **“Come in, stranger,”** and won't you listen to my plea

A sequence of four guitar chord diagrams: A (open A), E7 (open E7), A (open A), and A7 (open A7).

Stay long enough, so that the one I love won't be a stranger to me

A sequence of four guitar chord diagrams: D (open D), A (open A), E7 (open E7), and A (open A).

She said, **“Come in, stranger,”** and won't you listen to my plea

A sequence of four guitar chord diagrams: A (open A), E7 (open E7), A (open A), and A7 (open A7).

Stay long enough, so that the one I love.....won't be a stranger to me

A sequence of four guitar chord diagrams: D (open D), A (open A), E7 (open E7), and A (open A).
