

# COOL CHANGE - Glenn Shorrock

4/4 1...2...1234 (slow count)

**Intro:** | | | | | |

If there's one thing in my life that's missing, it's the time that I spend alone

Sailing on the cool and bright clear water

Lots of those friendly people, they're showing me ways to go

And I never want to lose their inspiration

Time for a cool change, I know that it's time for a cool change

Now that my life is so pre-ar-ranged, I know that it's time for a cool change

Well, I was born in the sign of water, and it's there that I feel my best

The albatross and the whales, they are my brothers

It's kind of a special feeling, when you're out on the sea alone

Staring at the full moon like a lover

p.2. Cool Change

Time for a cool change, I know that it's time for a cool change

Now that my life is so pre-ar-ranged, I know that it's time for a cool change

I've never been romantic, and, sometimes I don't care

I know it may sound selfish, but let me breathe the air

If there's one thing in my life that's missing, it's the time that I spend alone

Sailing on the cool and bright clear water

It's kind of a special feeling, when you're out on the sea alone

Staring at the full moon like a lover

Time for a cool change, I know that it's time for a cool change

Now that my life is so pre-ar-ranged, I know that it's time for a cool change

Now that my life is so pre-ar-ranged, I know that it's time for a cool change
