COPPER KETTLE (BAR)-A. F. Beddoe

3/4 123 123

Intro: |  |  |  |  |

Get you a copper kettle, get you a copper coil

Cover with new made corn mash, and never more you'll toil

You'll just lay there by the juniper, while the moon is bright

Watch them jugs a-fillin' in the pale moon-light

My daddy he made whiskey, my grand-daddy did too

We ain't paid no whiskey tax since seventeen ninety-two

   

We just lay there by the juniper, while the moon is bright

Watch them jugs a-fillin' in the pale moon-light

p.2. Copper Kettle

Build your fires of hickory, hickory and ash and oak

Don't use no green or rotten wood, they'll get you by the smoke

While you lay there by the juniper, while the moon is bright

Watch them jugs a-fillin' in the pale moon-light

Get you a copper kettle, get you a copper coil

Cover with new made corn mash, and never more you'll toil

You'll just lay there by the juniper, while the moon is bright

Watch them jugs a-fillin' in the pale moon-light.... in the pale moon-light
