```

Take to the highway won't you lend me your name

Your way and my way seem to be one and the same

Mama don't understand it, she wants to know where I've been

I'd have to be some kind of natural born fool, to want to pass that way a-gain

But you know I could feel it on a country road

Sail on home to Jesus won't you good girls and boys

I'm all in pieces, you can have your own choice

But I can seen a heavenly band full of angels, and they're comin' to set me free
p.2. Country Road

I don't know nothin' 'bout the why or when, but I can tell you that it's bound to be

'Cause I could feel it                  on a country road

I guess my feet know where they want me to go

Walkin' on a country road

Take to the highway won't you lend me your name

Your way and my way seem to be one and the same

Mama don't under-stand it, she wants to know where I've been

I'd have to be some kind of natural born fool, to want to pass that way a-gain

But I could feel it                            on a country road

Walk on down, walk on down, walk on down, walk on down, walkin' down a country road

La la la la la la la la la la la la ..........................country road

(etc, end on C)
