CRAZY LOVE - Rusty Young

4/4 1...2...1234

Intro: | D | A | A

Tonight I'm gonna break away, just you wait and see
 I'll never be im-ported by a faded memo-ry
 Just when I think I'm over her, this broken heart will mend
 I hear her name, and I have to cry, the tears come down a-gain

It happens all the time, this crazy love of mine
 Wraps around my heart, re-fusin' to unwind
 Ooh-hoo, crazy love, ah ha

Count the stars in a summer sky, that fall with-out a sound
 And then pretend that you can't hear, these teardrops comin' down

It happens all the time, this crazy love of mine
 Wraps around my heart, re-fusin' to unwind
 Ooh-hoo, crazy love, ah ha

Tonight I'm gonna break away, just you wait and see
 I'll never be im-ported by a faded memo-ry

It happens all the time, this crazy love of mine
 Wraps around my heart, re-fusin' to unwind
 Ooh-hoo, crazy love, ah ha
