D      E7      D      A
Tonight I'm gonna break away, just you wait and see
D      E7      D      A
I'll never be im-prisoned by a faded memo-ry
D      E7      D      A
Just when I think I'm over her, this broken heart will mend
D      E7      D      A
I hear her name, and I have to cry, the tears come down a-gain

D      E7      A
It happens all the time, this crazy love of mine
D      E7      A
Wraps around my heart, re-fusin' to unwind
D      E7      D      A
Ooh-hoo, crazy love, ah ha

D      E7      D      A
Count the stars in a summer sky, that fall with-out a sound
D      E7      D      A
And then pretend that you can't hear, these teardrops comin' down

D      E7      A
It happens all the time, this crazy love of mine
D      E7      A
Wraps around my heart, re-fusin' to unwind
D      E7      D      A
Ooh-hoo, crazy love, ah ha
