

# CRYSTAL CHANDELIERS - Ted Harris

4/4 1234 1 (without intro)

**Intro:** |  |  |  |  |

   
Oh, the crystal chandeliers light up the paintings on your wall

  
The marble statuettes are standing stately in the hall

   
But will the timely crowd that has you laughin' loud help you dry your tears

    
When the new wears off of your crystal chandeliers

   
I never did fit in too well with the folks you knew

  
And it's plain to see that the likes of me don't fit with you

   
So you traded me for the gaiety of the well to do

    
And you turned away from the love I offered you

Refrain ("Oh, the crystal chandeliers...")

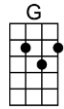

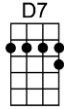

**p.2. Crystal Chandeliers**

**I see your picture in the news most every day**

**You're the chosen girl of the social world, so the stories say**

**But a paper smile only lasts a while then it fades away**

**And the love we knew will come home to you some day**

**Oh, the crystal chandeliers light up the paintings on your wall**

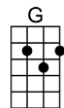

**The marble statuettes are standing stately in the hall**

**But will the timely crowd that has you laughin' loud help you dry your tears**

**When the new wears off of your crystal chande-liers**

**When the new wears off of your crystal chande-liers**
