Intro: First 2 lines

Dance with me, I want to be your partner. Can't you see the music is just starting?

Night is calling, and I am fall - ing, dance with me

Fan - tasy could never be so killing, I feel free, I hope that you are willing

Pick the beat up, and kick your feet up, dance with me

Let it lift you off the ground, starry eyes, and love is all a-round us

I can take you where you want to go, oh, oh

Dance with me, I want to be your partner. Can't you see the music is just starting?

Night is calling, and I am fall - ing, dance with me
