

DECEMBER, 1963 (OH, WHAT A NIGHT)

4/4 1...2...123 (without intro) -Bob Gaudio/Judy Parker

Intro: |   |   | (X2)

Oh, what a night! Late De-cember, back in '63

What a very special time for me. As I re-member, what a night

Oh, what a night! You know, I didn't even know her name

But I was never gonna be the same. What a lady, what a night

Oh, I, I got a funny feeling when she walked in the room

And, my, as I recall, it ended much too soon

    

Oh, what a night! Hypno-tizin', mesme-rizin' me

      

She was everything I dreamed she'd be. Sweet sur-render, what a night

Interlude:    

And, I felt a rush like a rolling bolt of thunder

Spinnin' my head around, and takin' my body under. Oh, what a night!

Oh, I, I got a funny feeling when she walked in the room

And, my, as I recall, it ended much too soon

Oh, what a night! Why'd it take so long to see the light?

Seemed so wrong, but now it seems so right. What a lady, what a night!

Interlude:

Oh, I felt a rush like a rolling bolt of thunder

Spinnin' my head around, and takin' my body under.

Oh, what a night

(Do do do do do, do do do do do) X3

Oh, what a night!
