DOES ANYBODY REALLY KNOW WHAT TIME IT IS

4/4 1...2...1234

-Robert Lamm

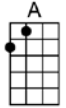

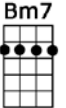

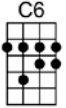

Intro: |  |  |  |  | (X2) |  |  |  |  |

As I was walking down the street one day
And I was walking down the street one day

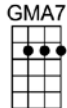

A man came up to me and asked me what the time was that was on my watch
A pretty lady looked at me and said her diamond watch had stopped cold dead.

Yeah, and I said:
And I said:

Does anybody really know what time it is? Does anybody really care?

       

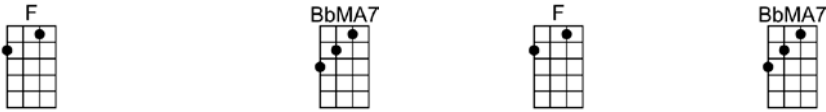

1. If so, I can't imagine why! We've all got time enough to cry.
2. If so, I can't imagine why! We've all got time enough to cry. (2nd verse)

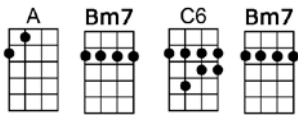

p.2. Does Anybody Really Know What Time It Is

And I was walking down the street one day,

Being pushed and shoved by people trying to beat the clock, oh ho, I just don't know, I don't know

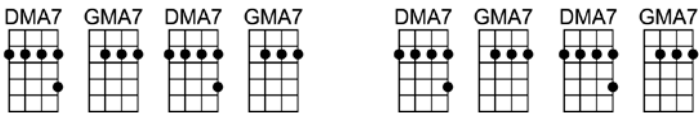

And I said:

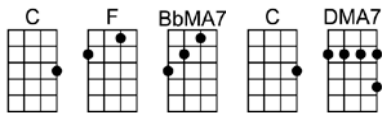

Does anybody really know what time it is? Does anybody really care?

If so, I can't imagine why! We've all got time enough to die.

I don't care about time, oh no.
