| | | |

Baby cried the day the circus came to town

| | | |

'Cause she didn't want par-ades just passin' by her

| | | |

So she painted on a smile, and took up with some clown

| | |

While she danced without a net upon the wi - re

| | | | | |

I know a lot about her, 'cause, you see, baby is an awful lot like me

| | | | | |

Don't cry out loud, just keep it in-side, learn how to hide your feelings

| | | | | | | | |

Fly high and proud, and if you should fall, remember you almost had it all

| | | |

Baby saw that when they pulled the big top down,

| | | |

They left behind her dreams among the lit - ter

p.2. Don't Cry Out Loud

And the different kind of love she thought she'd found

There was nothing left but sawdust and some glit - ter

But baby can't be broken, 'cause you see, she had the finest teacher-that was me-I told her

Don't cry out loud, just keep it in-side, learn how to hide your feelings

Fly high and proud, and if you should fall, remember you almost had it all

Don't cry out loud, just keep it in-side, and learn how to hide your feelings

Fly high and proud, and if you should fall, remember you almost made it

Don't cry out loud, just keep it in-side, and learn how to hide your feelings

Fly high and proud, and if you should fall, remember you almost had it
