# DON'T LET IT GO TO YOUR HEAD<sub>(BAR)</sub>

4/4 1...2...123 (without intro)

-Hadamik/LaVere/Nast

**Intro:** |  |  |  |  | (X2)

 |  |  |  |  | 

You bet she'll flirt, but don't let it go to your head

 |  |  |  |  | 

You might get hurt, so don't let it go to your head

 |  |  |  | 

She doesn't ask any questions, save all the answers, you found her at last

 |  |  |  |  | 

And now you're part of a session that's moving too fast

 |  |  |  |  | 

She'll hold your hand, but don't try to reach for the sky

 |  |  |  | 

You'll understand, as soon as the evening rolls by

 |  |  |  |  | 

She wears my ring on her finger, she'll never linger, so, brother, you're dead

 |  |  |  |  |  | 

And just like I said, don't let it go to your head

## p.2. Don't Let It Go To Your Head

### Instrumental (first 4 lines)

She'll hold your hand, but don't try to reach for the sky

You'll understand, as soon as the evening rolls by

She wears my ring on her finger, she'll never linger, so, brother, you're dead

And just like I said, don't let it go to your head

I'm her guy, it's time to con-fess, you just missed the boat to happi-ness

So, just like I said, don't let it go to your head
