DON'T LET THE SUN GO DOWN ON ME(BAR)

4/4 1...2...1234

-Elton John/Bernie Taupin

Intro: |  |  |  |  |  |

 |  |  |  |  |  |  | 

I can't light no more of your dark - ness

 |  |  | 

All my pictures seem to fade to black and white

 |  |  |  |  |  |  | 

I'm growing tired and time stands still be-fore me

 |  |  | 

Frozen here on the ladder of my life

 |  |  |  |  |  |  | 

Too late to save myself from fall - ing

 |  |  | 

I took a chance, and changed your way of life

 |  |  |  |  |  |  | 

But you misread my meaning when I met you

 |  |  | 

Closed the door and left me blinded by the light

p.2. Don't Let the Sun Go Down On Me

Don't let the sun go down on me. Although I search myself, it's always someone else I see

I'd just allow a fragment of your life to wander free

But losing everything is like the sun going down on me

I can't find all the right ro-mantic lines.

But see me once, and see the way I feel

Don't discard me, just because you think I mean you harm

But these cuts I have, oh, they need love to help them heal

Don't let the sun go down on me. Although I search myself, it's always someone else I see

I'd just allow a fragment of your life to wander free

But losing everything is like the sun going down on me

Losing everything is like the sun going down on me
