
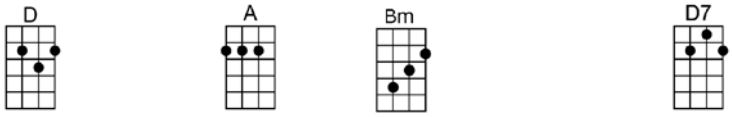
DON'T PULL YOUR LOVE(BAR)-Brian Potter/Dennis Lambert

4/4 1234 1 (without intro)

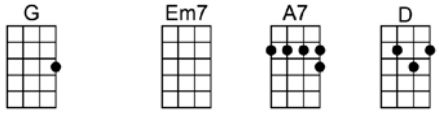
Intro: 
CHORUS:



Don't pull your love out on me, baby. If you do then I think that maybe

I'll just lay me down, cry for a hundred years.

Don't pull your love out on me, honey, take my heart, my soul, my money,



But don't leave me a-drowning in my tears.

You say you're gonna leave, gonna take that big white bird.

Gonna fly right out of here, without a single word.

But you know you'll break my heart, when I watch you close that door

'Cause I know that I won't see you any-more.

p.2. Don't Pull Your Love

CHORUS

Haven't I been good to you? What about that brand new ring?

Doesn't that mean love to you, doesn't that mean anything?

If I threw a-way my pride, and I got down on my knees

Would you make me beg you, pretty please?

CHORUS

There's so much I wanna do, and I've got love enough for two.

But I'll never use it, girl, if I don't have you.

(Chorus repeats and fades out)
