

DON'T WORRY, BABY - Brian Wilson/Roger Christian

4/4 1...2...1234

Intro: |  |  |  |  | (X2)

  
Well, it's been building up inside of me for, oh, I don't know how long

  
I don't know why, but I keep thinking something's bound to go wrong

   
But, she looks in my eyes, and makes me realize

 
And she says, "(Don't worry baby), don't worry baby

 
(Don't worry baby), everything will turn out alright

   
(Don't worry baby), don't worry baby, (don't worry baby, ooh ooh)"

  
I guess I should've kept my mouth shut, when I started to brag a-bout my car

  
But I can't back down now because I pushed the other guys too far

   
She makes me come alive, and makes me wanna drive

p.2. Don't Worry, Baby

When she says, "(Don't worry baby), don't worry baby

(Don't worry baby), everything will turn out alright

(Don't worry baby), don't worry baby, (don't worry baby, ooh ooh)"

Interlude:    (X2)

She told me "Baby, when you race today, just take along my love with you

And, if you knew how much I loved you, baby, nothing could go wrong with you"

Oh, what she does to me, when she makes love to me

And she says, "(Don't worry baby), don't worry baby

(Don't worry baby), everything will turn out alright (fade)

(Don't worry baby), don't worry baby

(Don't worry baby), everything will turn out alright
