When you’re a-lone and life is making you lonely you can always go down-town
Don’t hang a-round and let your troubles sur-round you there are movie shows down-town
When you’ve got worries all the noise and the hurry seems to help I know down-town
Maybe you know some little places to go to where they never close down-town

Linger on the sidewalks where the neon signs are pretty
Listen to the rhythm of a gentle bossa nova,
Listen to the music of the traffic in the city, how can you lose?
You’ll be dancing with it too be-fore the night is over, happy again…..

CHORUS:

The lights are much brighter there you can for-get all your troubles forget all your cares and go down-town where all the lights are bright, down-town waiting for you tonight

Down-town it’s gonna be alright now……. 1 (2nd verse) 1234 1234

2. Down-town where all the lights are bright, down-town waiting for you tonight

Down-town it’s gonna be alright now…….
