DREAM

Intro: (4 beats each)

Dream when you're feeling blue, dream, that's the thing to do

Dream while the smoke rings rise in the air, you'll find your share of memories there

So dream when the day is through, dream, and they might come true

Things never are as bad as they seem, so dream, dream, dream.

Things never are as bad as they seem, so dream, dream, dream.
IT HAD TO BE YOU

It had to be you, it had to be you

I wandered a-round and finally found somebody who

Could make me be true....... could make me feel blue

And even be glad, just to be sad, thinking of you.

Some others I’ve seen might never be mean

Might never be cross or try to be boss, but they wouldn’t do

For nobody else gave me a thrill, with all your faults I love you still

It had to be you, wonderful you, it had to be you.
