DREAMIN' AGAIN (BAR)-Jim Croce

4/4 1...2...123 (without intro)

Intro: |  |  |  |  | (X4)

Don't you know I had a dream last night, that you were here with me

Lyn' by my side so soft and warm

And we talked a while, and shared a smile, and then we shared the dawn

But when I woke up, oh, my dream, it was gone

Don't you know I had a dream last night, and you were here with me

Lyn' by my side so soft and warm

And you said you'd thought it over, you said that you were comin' home

But when I woke up, oh, my dream, it was gone

Interlude:    

p.2. Dreamin' Again

I'm not the same. Can you blame me? Is it hard to un - der - stand?

I can't for-get. You can't change me. I am not that kind of man

Don't you know I had a dream last night, and everything was still

And you were by my side so soft and warm

And I dreamed that we were lovers in the lemon scented rain

But when I woke up, oh, I found that a-gain

I had been dreamin', dream - in' a-gain. I had been dreamin', dream - in' a-gain
