# DRIVE (BAR)-Ric Ocasek

4/4 1...2...1234 (slow count)

Intro: |  |  |  |  | (X2)

Who's gonna tell you when it's too late? Who's gonna tell you things aren't so great?

You can't go on, thinking nothing's wrong, oh, oh

Who's gonna drive you home to-night?

Who's gonna pick you up when you fall? Who's gonna hang it up when you call?

Who's gonna pay at-tention to your dreams?

Yeah, who's gonna plug their ears when you scream?

    

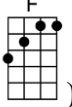

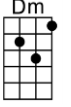

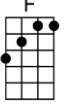

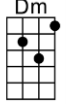

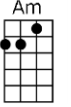

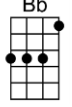

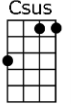

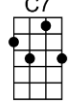

You can't go on, thinking nothing's wrong, oh, oh

Who's gonna drive you home to-night?

p.2. Drive

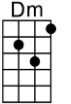

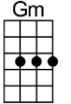

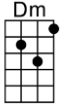

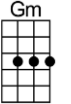

Interlude: (  )       

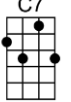

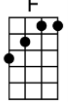

Who's gonna hold you down when you shake?

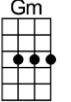

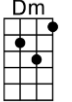

Who's gonna come a-round when you break?

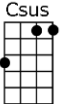

You can't go on, thinking nothing's wrong, oh, oh

Who's gonna drive you home to-night? Oh,

You know you can't go on, thinking nothing's wrong

Who's gonna drive you home to-night?
