ELUSIVE BUTTERFLY (BAR)-Bob Lind
4/4 1...2...1234

Intro: | X | X | X | X | (X2)

You might wake up some mornin' to the sound of something moving past your window in the wind
And if you're quick enough to rise, you'll catch the fleeting glimpse of someone's fading shadow
Out on the new ho-rizon, you may see the floating motion of a distant pair of wings
And if the sleep has left your ears, you might hear footsteps running through an open meadow

Don't be con-cerned, it will not harm you,
It's only me pursuing somethin' I'm not sure of
Across my dreams with nets of wonder,
I chase the bright elusive butterfly of love

You might have heard my footsteps echo softly in the distance, through the canyons of your mind
I might have even called your name, as I ran searching after something to be-lieve in
p.2. Elusive Butterfly

You might have seen me runnin', through the long-abandoned ruins of the dreams you left behind

If you re-member something there, that glided past you followed close by heavy breathin'

Don't be con-cerned, it will not harm you,

It's only me pursuing somethin' I'm not sure of

Across my dreams with nets of wonder,

I chase the bright elusive butterfly of love
