EMPTY POCKETS FILLED WITH LOVE - Irving Berlin

Intro: | | (X2)

Empty pockets, but a heart full of love, a heart full of love for you

Cash? Not any, not one red penny, but kisses many, for you!

Empty pockets but a heart beating fast, as true as the stars above

Please say that you'll get by, with just a Guy with empty pockets filled with love!

I don't want silver, I don't want gold, I just want love, but then I've been told:

You can't eat love, you can't drink love, you can't wear love, like you would a gown

Don't trust love, for "just" love won't pay for caviar

Won't buy that motor car, or a house in town!

You can't spend love, you can't lend love, you must end love when the chips are down!

Love flies out the window when there's nothin' to eat
p.2. Empty Pockets Filled With Love
