Love, soft as an easy chair, love, fresh as the morning air

One love that is shared by two, I have found with you

Like a rose, under the April snow, I was always certain love would grow

Love, ageless and evergreen, seldom seen by two

You and I will make each night a first, every day a beginning

Spirits rise, and their dance is unrehearsed

They warm and excite us, ‘cause we have the brightest love

Two lights that shine as one, morning glory and midnight sun

Time, we’ve learned to sail above, time won’t change the meaning of

One love, ageless and ever, ever-green
