**Intro:** |    |  |  |   |

Everybody loves somebody sometime, everybody falls in love some-how

Something in your kiss just told me my sometime is now

Everybody finds somebody someplace, there's no telling where love may ap-pear

Something in my heart keeps saying my someplace is here

If I had it in my power, I'd ar-range for every girl to have your charms

Then every minute, every hour, every boy would find what I found in your arms

Everybody loves somebody sometime, And, although my dream was over-due,

1. Your love made it well worth waiting for someone like you ("If I had it in my power...")

2. Your love made it well worth waiting for someone like you

Your love made it well worth waiting for someone like you (everybody loves somebody sometime)
