

EVERYTHING HAPPENS TO ME - Tom Adair/Matt Dennis

4/4 1...2...1234

Intro: |  |  |  |  |

Black cats creep a-cross my path un-til I'm almost mad

I must have roused the devil's wrath 'cause all my luck is bad

**I make a date for golf and you can bet your life it rains
I never miss a thing, I've had the measles and the mumps**

**I try to give a party but the guy upstairs com-plains
And every time I play an ace, my partner always trumps**

**I guess I'll go through life just catchin' colds and missin' trains
I guess I'm just a fool who never looks before he jumps**

**Everything happens to me (2nd verse)
Everything happens to me**

   

At first my heart thought you could break this jinx for me

   

That love would turn the trick to end des-pair

p.2. Everything Happens To Me

But now I just can't fool this head that thinks for me

So I've mortgaged all my castles in the air

I've telegraphed and phoned, sent an Air Mail Special, too

Your answer was "Good-bye", there was even postage due

I fell in love just once and then it had to be with you

Everything happens to me

Instrumental bridge, then last verse

I've never drawn a sweepstake or a bank night at a show

I thought perhaps this time I'd won but Lady Luck said, "No"

And though it breaks my heart I'm not surprised to see you go

Everything happens to me..... Everything happens to me
