

# EVERYTHING IS BEAUTIFUL - Ray Stevens

**Intro:** |  |  |  |  |  |  |  |  |

 |  |  |  |

Everything is beautiful in its own way,

 |  |  |  |  |  |  |  |

Like a starry summer night or a snow-covered winter's day

 |  |  |  |

And everybody's beautiful in their own way,

 |  |  |  |  |  |  |  |  |

Under God's hea - ven, the world's gonna find a way

 |  |  |

There is none so blind as he who will not see

 |  |  |

We must not close our minds, we must let our thoughts be free

 |  |  |

For every hour that passes by, you know the world gets a little bit older

 |  |  |  |  |  |

It's time to realize that beauty lies in the eyes of the be-holder

 |  |  |  |

And everything is beautiful in its own way,

 |  |  |  |  |  |  |  |

Like a starry summer night or a snow-covered winter's day

## p.2. Everything Is Beautiful

And everybody's beautiful in their own way,

Under God's hea - ven, the world's gonna find a way

We shouldn't care about the length of his hair, or the color of his skin

Don't worry about what shows from without, but the love that lives with-in

We're gonna get it all together now, everything's gonna work out fine

Just take a little time to look on the good side, my friend, straighten it out in your mind

And everything is beautiful in its own way,

Like a starry summer night or a snow-covered winter's day

And everybody's beautiful in their own way,

Under God's hea - ven, the world's gonna find a way

Under God's hea - ven, the world's gonna find a way
