

# FARMER'S SONG (BAR) - Murray McLaughlin

3/4 123 123

**Intro:** / / / / X2

Dusty old farmer out working your fields, hanging down over your tractor wheels

The sun beatin' down turns the red paint to orange and rusty old patches of steel

There's no farmer songs on that car radi-o, just cowboys, truck drivers and pain

Well this is my way to say thanks for the meal, and I hope there's no shortage of rain

## Chorus:

Straw hat and old dirty hankies, moppin' a face like a shoe

Thanks for the meal here's a song that is real, from a kid from the city to you  
(Repeat chorus)

**p.2 Farmer's Song**

**The combines gang up, take most of the bread, things just ain't like they used to be**

**Though your kids are out after the Am-erican dream and they're workin in big factor-ies**

**If I come by, when you're out in the sun, can I wave at you just like a friend**

**These days when everyone's taking so much, there's somebody giving back in**

**Chorus:**

**Straw hat and old dirty hankies, moppin' a face like a shoe**

**Thanks for the meal here's a song that is real, from a kid from the city to you  
(Repeat chorus)**
