

SING D

# FOOLED AROUND AND FELL IN LOVE - Elvin Bishop

4/4 1...2...1234

**Intro:** |  |  |  |  | (X2)

     
 I must have been through 'bout a million girls, I'd love 'em and I'd leave 'em a-lone

     
 I didn't care how much they cried, no sir, their tears left me cold as a stone

     
 But then I fooled around and fell in love, I fooled around and fell in love

     
 I fooled around and fell in love, I fooled around and fell in love

     
 It used to be when I'd see a girl that I liked, I'd get out my book and write down her name

     
 But when the grass got a little greener on the other side, I'd just tear out that page

     
 But then I fooled around and fell in love, I fooled around and fell in love

     
 I fooled around and fell.....in love, I fooled around and fell in love

**p.2. Fooled Around and Fell In Love**

**Interlude:**

A sequence of ten guitar chord diagrams: D, C, Am, AmM7, Am7, D, Am, AmM7, Am7, and D7.

**Instrumental verse:**

A sequence of four guitar chord diagrams: G, Bm, F, and C, followed by the instruction (X2).

Free, on my own, that's the way I used to be,

But, since I met you baby, love's got a hold on me

(Fooled around and fell in love, fooled around and fell in love) (fade)

(Fooled around and fell in love, fooled around and fell in love)
